

## Hiring Immediately: Graphic Design Fellow

*10-hours a week with the ability to grow to paid part-time work.*

### Job Description:

Are you a talented graphic designer looking for a flexible and rewarding opportunity? Join our dynamic team at Which Side Digital and showcase your creative skills.

As a Graphic Design Fellow, you will play a vital role in creating visually stunning designs for a variety of clients in the political and private sectors. You will work closely with our experienced team, including a Creative Director and a Production Manager, to ensure that your designs meet the highest standards of quality.

### Key Responsibilities:

- Design social media graphics, branding elements, and merchandise.
- Resize still ads and create other graphic assets as needed.
- Collaborate with the creative team to develop innovative and effective designs.
- Ensure that all designs align with the client's brand and messaging.

### Qualifications:

- Basic experience in graphic design, either through practical experience or formal education.
- Strong portfolio demonstrating proficiency in graphic design.
- Proficiency in Adobe Suite (Illustrator, Photoshop, Express, InDesign) or Figma (Figjam and FigDesign) is preferred.
- Excellent creative skills and attention to detail.
- Ability to work effectively under tight deadlines.

### Job Details:

- Temporary, remote position with the potential for employment based on performance.
- Part-time hours with flexibility.
